

UNION MINE

MEMO

To: SBPM Village Residents

From: Tendani Mufamadi - Environmental Management

Date: 25 March 2020

Subject: Removal of Domestic Waste during COVID-19 Lockdown Period

Please note the following arrangements has been implemented for the removal of domestic waste from SBPM residential areas during the COVID-19 Lockdown Period.

Waste will be removed every Wednesday from the Villages, Please ensure that your generated domestic waste plastic bags are placed outside the yard by 07:00 AM. 1st, 8th and 15th April 2020 are the approved waste collection dates.

If you do not place your waste bags outside the yard in time, the waste collection truck will pass by and you will be required to put your waste bags inside your house/garage to prevent animals from tearing them open and littering the streets.

There will be no other special arrangements for waste removal, please notify all parties assisting you with the removal of waste from your yard about these special arrangements.

Yours in Sustainable Environmental Management
