Subject : DOH door to door visit in Swartklip Villages - Covid19 screening and testing

Good day everyone,

We are all aware of the Coronavirus measures having been regulated at present, as to curb the Covid-19 spreading of the pandemic.

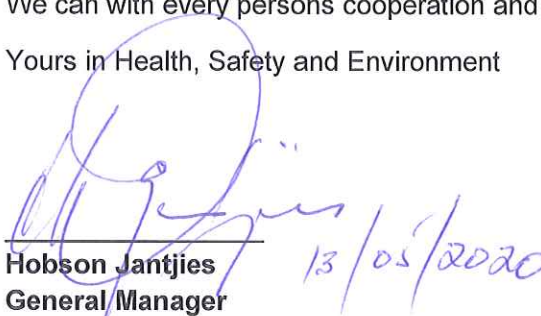

As further measurements in this regard, Management herewith wishes to notify all our Residents in the Kanana/Swartklip Villages, that the Department of Health (DOH) will be resuming a door to door screening process at every residence.

We are all requested to support the duties and responsibilities of the DOH in an effort to ensure our Villages are safe, and every resident's participation in the screening process will be expected and appreciated.

Management emphasizes the importance of all residents to continue applying proper hygiene controls, such as, among others, to always wash your hands thoroughly with soap and/or sanitizer at regular intervals, always wearing of face masks, stay at home and applying safe distancing.

We can with every persons cooperation and effort, overcome this virus.

Yours in Health, Safety and Environment

Hobson Jantjies
