

Siyanda Bakgatla Platinum Mine Safety Message

SAY NO TO COVID 19

HELP FIGHT THE SPREAD OF CORONAVIRUS

No handshake for Coronavirus prevention. Handshakes is an efficient way to spread germs, since we touch our faces multiple times every day. Be considerate towards team members and wash your hands regularly. SBPM mine is now a handshake free zone until further notice. Let us work together to help prevent the spread of Coronavirus.

DO THE RIGHT THING – PROTECT YOURSELF AND OTHERS AROUND YOU.
